

# Parking for the Arthur C. Guyton Research Center and the Classroom Wing is available in Parking Garage A.

**Hourly and daily parking rates do apply.**

## To reach Parking Garage A,

take North State Street to the Medical Center and enter campus at the main intersection in front of University Hospital. Take your first available left onto West University Drive. You will see Parking Garage A on your right. Continue down West University Drive as it makes a large curve to the right and becomes Central University Drive. You will see an Office Annex building on your left. At the first stop sign, take a right into Parking Garage A.

The Guyton Research Center and the Classroom Wing are both directly to the east of Parking Garage A, on the other side of the Christine L. Oglevee School of Nursing Building.

Exit Parking Garage A using the pedestrian entrance facing Central University Drive.

**To reach the Arthur C. Guyton Research Center,** turn right onto the Central University Drive sidewalk. The entrance to the Guyton Research Center will be on your right.

**To reach the Classroom Wing,** turn right onto the Central University Drive sidewalk. Cross Parking Garage A Circle and turn right onto the Parking Garage A Circle sidewalk. You will see the Christine L. Oglevee School of Nursing building on your left. Take a left on the sidewalk directly to the left of the School of Nursing building, then take a right on the sidewalk directly behind the School of Nursing building. You will see the Classroom Wing on your left. Take a left on the sidewalk in front of the Classroom Wing. The Classroom Wing entrance will be on your left.
